

Today Is Final Day For X-Rays

Today is the last chance for Escanaba residents to avail themselves of the free chest x-ray service provided here by the Michigan Department of Health.

Two mobile units will be in the city today to 8 p. m. tonight, one located at the Home Supply and the other at the Nash garage.

A total of 5,645 persons have had the chest x-rays in Delta County since the units were in the area. The service is free and all persons will be notified of the results.

It has been emphasized that outstate residents are eligible to use the service as well as Michigan residents. The results will be forwarded to their outstate addresses.

The program continues without interruption to 8 p. m., no time being taken off for lunch.

THOSE IN UNIFORM

Sgt. Charles Greene returned June 3 from Korea where he had served with the Army since May 1, 1952 with Co. B, 160th Reg., 40th Inf. Div. 4-H Club Formed By Trenary Girls

TRENARY—A 4-H Club was organized here on June 10 at the home of Jonelle Knaus, under the direction of Alice Whybrew, daughter of Mr. and Mrs. Albert Whybrew of Rapid River. The girls selected "The Busy Beavers" for the name of their club. Election of officers was held, with the following in office: president, Fairy Birk; vice president, Laurel Mariin; secretary-treasurer, Jonelle Knaus; club reporter, Nancy Webber. The meetings will be held every second Wednesday at the homes of the members. The next meeting will be at the home of Nancy Webber. Enrolled in the 4-H Club work this year are Fairy Birk, Laurel Mariin, Jonelle Knaus, Nancy Webber, Helen Mariin, Sharon Malnar and Marlene Rukilla.

Birthday Party
Mrs. Mike Vizona was pleasantly surprised on Wednesday evening, June 10, by a group of friends gathered at her home to surprise her on the occasion of her birthday. Mrs. Vizona was presented with a set of dishes. She also received other gifts. A pot luck lunch was served, with a birthday cake made by Mrs. Edward Roberts. Present at the party were Mrs. Ridge Bailey, Mr. and Mrs. Edward Roberts, Mrs. Joe Leduc, Mrs. Leslie Birk, Mrs. Joe Ostanek, Mrs. Lena La Slambo, Mrs. Waino Laine, Mrs. Agnes Hammerburg, Mrs. Clyde Spellmacher, Mrs. Larry Ollila, Rudolph Johnson and his mother, Mrs. William Johnson. Games were played throughout the evening.

Bruce Whitmarsh, son of Mr. and Mrs. Harry Whitmarsh, has been honorably discharged from the Navy after serving 3 years. Bruce left his base at Charleston, S. C., and is now at his parental home in Traunik.

Mrs. Henry Van Hala is a medical patient at the Munising Hospital. She is reported in critical condition.

Harry Whitmarsh has left this week to spend three weeks in Arkansas and Missouri.

Mrs. Laura Kaster of Green Bay was a guest of Mrs. Mike Vizona Wednesday.

Mr. and Mrs. Jack Buchholtz and daughter Carol of Wyandotte are spending the weekend here with relatives.

Mr. and Mrs. George Tatman returned to their home in Chicago today after visiting with the William Buchholtz family. They were accompanied by their grandchildren, Bruce and Ronda Buchholtz, who will remain with them for a month's visit.

Mrs. Mae Mille, Mrs. Anna Gregg and Mrs. Loretta Devanish of Marquette, and William Williams spent Sunday at the Big Springs, where they enjoyed a pot luck picnic.

The Tutela Heights house of Alexander Graham Bell has been preserved as a museum in the heart of Brantford, Ontario.

Planning Board Opposes Motel In Class A Zone

The Escanaba Planning Commission in meeting last night opposed the idea of "spot zoning" to permit commercial development in a Class A residence section of the city and recommended to the City Council that no change be made in zoning on S. 23rd St. between Fourth and Fifth Avenues.

City Council had referred the requested change to the Planning Commission "after receiving it from Chester Rice, Escanaba, who owns a block-square area at the intersection.

Rice was unable to attend last night's meeting of the Planning Commission in City Hall and was represented by Tom Beaton Jr., who advised the Commission of Rice's plans for development.

Not Good Planning
A motel, a gas station, and private homes were contemplated by Rice, Beaton said. "The development would be attractive and would be beneficial to the city's economy," he added.

Mr. and Mrs. L. A. McMillan presented a petition signed by owners of property in the area opposing the commercial development. The petition represented 90 per cent of the property owners.

Planning Commission members in discussion indicated they considered "spot zoning" to allow commercial development in residential areas "the opposite of good planning." Motion to recommend to the Council that no zoning change be made was by T. D. Vinette supported by Jesse W. Pomazal.

The Planning Commission discussed but took no action on another problem in connection with proposed commercial development along a state highway in the city limits.

Seek Roadside Sites
The City Council had requested the Planning Commission to study and make a recommendation in connection with the possible commercial use of an area on the west side of US-2-41 at the north city limits. The area in question is that bordered by tree planting and extending south from the city limits near the County Convalescent Home.

The area was acquired about six years ago from the federal government after the government ore dock project was closed out. The city purchased the area as a site for industries and has been holding it for that purpose.

Several persons have asked the City Council if they could not acquire some of the land along the highway for commercial purposes. Mentioned as interested were persons who sought a site for a bowling alley, an animal hospital, and a restaurant and store.

Study Building Use
After considerable discussion, in which the Planning Commission members expressed apprehension that unless strict con-

trols were established the proposed commercial development would detract from the appearance of the highway entrance to the city, the subject was tabled until next meeting for further study. The Commission members will visit the area meanwhile.

In connection with the city's survey of non-conforming uses the Planning Commission referred to its zoning committee the study of zoning changes in relationship to the survey report. The report revealed a large number of non-conforming uses, particularly multiple dwellings in Class A residence zones.

The committee will make a report at the next meeting. Action to correct some of the most serious faults of the zoning ordinance is hoped to be taken soon, while a long-range zoning study continues.

St. Martin's Aid Of Rapid River Observes Jubilee

RAPID RIVER—The Ladies' Aid of St. Martin's Lutheran Church celebrated its 25th anniversary Sunday. Services fitting the occasion were held at the church at 11:45.

The rest of the program took place at the home of Mrs. Martha Proehl. Before the pot luck dinner the group enjoyed group singing. A program followed with Walter Peters acting as toastmaster. The president of the society, Mrs. Eli Schramm, gave an interesting speech. The vice president Mrs. Emma Turan called the roll. Guest speakers were Mrs. Selma Jacobson, Gladstone, Mrs. Max Newman, Hyde and Mrs. Herb Cornell, Kipling, all presidents of their local Ladies' Aid groups. Albert Vietzke sang a solo and Mrs. Bada Proehl read the history of the organization. The program ended with group singing.

East Germany's Purge Relaxed

BERLIN (AP)—East German Communists began putting their retreat from sovietization into action today and east zone Premier, Otto Grotewohl, declared his government was "bitterly and seriously determined" to help bring about the unification of Germany now.

The text of Grotewohl's speech to a teachers' rally in East Berlin, distributed by the official news agency, ADN, said his government henceforth would "omit all measures which could disturb an understanding."

As an example, he said, "hundreds" of teachers who have lost their jobs in Communist purges would be reinstated, and a new Red law for reorganization of the high school system will not be put into effect.

Further, he declared, East German school authorities no longer will be bound to carry out "decisions of the Free German Youth or any other organization," an apparent reference to his own ruling Socialist Unity Communist party. The Free German Youth organization, he continued, hereafter must conduct its activities in the schools "on a strictly voluntary basis."

In the past the Socialist Unity party has been arbitrarily running the school system and gradually eliminating teachers opposed to communism.

American Officials Worry Over Fate Of Jittery Indochina

By JOHN SCALI

WASHINGTON (AP)—Top American officials are seriously worried about the future of Communist-threatened Indochina.

They fear the next premier to emerge from France's current political crisis may drastically change French conduct of the bloody seven-year-old war.

The White House, and the State and Defense Departments, are considering the possibility that France may either:

1. Appeal to the U. S. to pay a far bigger share, if not all, of the costs of the Indochina war, or
2. Suddenly decide to pull all French forces out of Indochina and dump the whole problem into the lap of the U. S.

Hope For Best
Authorities who are examining these possibilities say they have no definite indication France intends to take either step.

They are still hoping France will choose a moderate premier who will continue the fight against communism in Indochina with American assistance no larger than at present.

Eventually it may be possible to evacuate the French Army and hand the defense of all Indochina to the loyal native army which is to be increased by 54 battalions this year.

But, these officials said, there is no doubt the increasing unpopularity of the Indochina War in France is a big factor in France's failure to choose a new premier.

France has been without a government since May 25. The third man to try to form a new Cabinet since then, former Premier

Georges Bidault, was turned down Wednesday by a single Assembly vote.

Bidault's platform proposed virtually no change in French policy toward Indochina. The fear of some top officials now is that next premier will come to power on a platform aimed at getting France out of the Indochina War.

President Eisenhower and Secretary of State Dulles are known to believe that Indochina is strategically more important to U. S. security than Korea. Indochina's fall, it is feared, would open the

way for quick Communist conquest of Burma, Thailand, Malaya, and Indonesia.

It is virtually certain Eisenhower would refuse to send American armed forces into Indochina, no matter what its strategic significance, to replace the French.

It also seems doubtful that an economy bent Republican Congress would agree to appropriate substantially more money to relieve the financial strain on the French government.

The U. S. already is contributing 30 to 35 per cent of the approximately 1½ billion dollars being spent by France annually to fight the 400,000 Communist-led rebels in Indochina.

Delta Leads In Rail Employees

Delta County has more railroad employees than any other county in the Upper Peninsula, and only five counties in all Michigan have more railroad employees than Delta, according to figures released by the Railroad Cooperative League of Michigan, Lansing.

Headquarters for the Chicago and North Western Railroad's Peninsula Division is in Escanaba. The Soo Line's district office is in Gladstone, while the Escanaba and Lake Superior Railroad maintains headquarters in Wells.

Delta County's 1,237 railroad employees receive a yearly payroll of \$2,945,691, the League's figures show. Total railroad yearly payroll in the state is \$126,108,583.

The county has a little more than three percent of the 39,021 railroad workers in Michigan. The five Lower Peninsula counties which have more employees are Wayne (a mammoth 16,113 railroad employees who earn an annual payroll of \$59,424,744.00), Jackson, Calhoun, St. Clair, and Kent.

Delta County's annual share of the railroads' taxes, described by the League as filtering back into the county through the State Primary School Interest Fund, is \$45,859.32.

The amount of taxes paid yearly by railroads in Michigan is \$7,107,855.12, the League said. Workers in counties surrounding Delta also earn substantial railroad payrolls. Menominee County has 121 railroad employees who earn \$371,243.00 a year. Schoolcraft County's 81 railroad workers make \$184,971.00 a year.

Menominee County's yearly share of railroad taxes is \$29,282.76, according to the League. Schoolcraft County's is \$12,168.00. Delta County contains 181 miles of railroad track, Menominee County 124 miles, and Schoolcraft County 57 miles. There are 9,117 miles of railroad track in the state.

There are 15 counties in the Upper Peninsula, and 68 in the Lower Peninsula, making 83 counties in the state.

Presbyterian Church Still Studying New Holy Bible Version

CARLISLE, Pa.—A committee of the ruling body of the United Presbyterian Church today recommended further study of the Revised Standard Version of the Bible without taking a stand on its acceptance.

In a report prepared for the 95th General Assembly meeting at Dickinson College the committee advised that the Revised Version "await the appraisal of candid study and prayerful years."

Dr. Samuel Carson Weir of Dearborn, Mich., new moderator of the church, observed Thursday that opposition to the Revised Version "has reached the point of absurdity in many instances."

ARTHRITIS FORCED ME TO BED. O-JIB-WA PUT ME BACK ON MY FEET

"THE PAIN OF ARTHRITIS IN MY FEET WAS SO BAD THAT MANY TIMES I JUST SAT AND CRIED, AS I THOUGHT I WOULD NEVER WALK AGAIN," says Mrs. Anne Kneeshaw, 613 Robbin Drive, Algonac, Michigan.

"If it hadn't been for O-JIB-WA BITTERS, I don't know what I would have done. I had painful arthritis in both my feet, and Oh, how they pained whenever I stood on them. I owned and operated a small restaurant, and as I couldn't even stand, was forced to sell Mrs. Kneeshaw out. My feet finally got so bad I couldn't even get out of bed, and many times I just sat and cried as I thought I would never walk again. Treat-ments failed to help me until I

tried O-JIB-WA BITTERS. Why! In three weeks, I could see a world of difference and in about two months, I was entirely better and up and around again as good as ever. If I ever feel my feet or legs bothering me now, I take a few doses of O-JIB-WA BITTERS and can truthfully tell all sufferers that it is really remark-able. I am certainly glad to praise and recommend O-JIB-WA BITTERS to all who suffer from arthritis as I did."

Union Plans Truck Check June 14-19

The fifth annual Escanaba truck check this year will include a survey of the effectiveness of U. S. Interstate Commerce Commis-sion field safety inspections, ac-cording to Arnold Alsten, sec-retary treasurer of Local No. 328, International Brotherhood of Teamsters, AFL. The truck check will extend from midnight June 14 until midnight June 19.

Teamster Local No. 328 mem-bers will work in two-man teams checking drivers at weighing sta-tions, rail terminals, loading docks and other key points, Alsten said. They also will survey the union standing of drivers.

The Escanaba effort is part of a nationwide project conducted annually by the Teamsters. In announcing the dates of this year's truck check, the Teamster gen-eral president, Dave Beck com-mended trucking lines for their "public spirited and invaluable co-operation" in connection with the survey.

New Russian Regime 100 Days Old, But Insecure Internally

By WILLIAM L. RYAN

Foreign News Analyst

The Soviet regime under Premier Georgi Malenkov will be 100 days old Saturday. In foreign affairs Moscow may look on the period as a success, but internally the indications seem to add up to insecurity and nervousness.

By use of the most stubborn peace offensive to date, the new regime has delivered preliminary sledgehammer blows on a wedge

evidently intended to split allied unity. But some of the reason for the peace offensive appears to stem from internal considerations within the USSR itself and the Communist Empire in Eastern Europe and Asia.

The day after the Kremlin announced the death of Joseph Stalin, Georgi Maximilianovich Malenkov was proclaimed Premier. For a short time there was a flurry of glorification and it appeared he might attempt to be Stalin's full successor. But the glorification stopped. Malenkov has had to share his power.

Will this rule by committee last in a totalitarian state? Probably not. In the first hundred days there has been much evidence that the struggle for power at the top is not ended, that the Soviet Army still contains the seeds of a threat to the top Communist rulers, that the party has had to make many striking concessions to Soviet public feelings. All this has indicated insecurity at the top level.

Political Morality Upped In California

SACRAMENTO, Calif. (AP)—No more free rides on railroads for employees of the California Public Utilities Commission.

Since 1912 the railroads had issued some 300 or 400 passes a year. The Senate finance committee added \$50,000 to the budget to pay for such rides hereafter. Said Sen. Randolph Collier:

"The employees should not have free rides on utilities they may be making rates for."

Find Ways To Double Output Of Timber

ATLANTA, Ga. (AP)—Good management can double production of timber in a woodlot, 24 landowners near here are learning. A lumber company sends out an expert to help them manage their tree crops. In return, the company gets an option to buy the trees when they mature.

The project is part of a program sponsored by the American Forest Products Industries. Reason for the plan is that 57 per cent of U. S. forest land is in small plots on farms. And few farmers know anything about tree management. Lumber men expect to increase their available timber supplies by cooperation with the owners.

Whatever Cops Do Produces Complaints

LUBBOCK, Tex. (AP)—The happy chimes of the ice cream vendor are giving city officials here their biggest headache in years.

Until recently Lubbock's colorful ice cream trucks chimed up and down neighborhoods unchallenged. Then several citizens complained. They worked nights and the chimes disturbed their sleep. Besides, how could children take their naps when the chimes kept them awake?

Didn't the police know it was against the law to use amplifiers for commercial purposes? Sure enough, it was. A city ordinance prohibits such use. The ice cream men were told to shut off their music. More complaints came in—this time against the silence. Such as:

"How are we to know when the ice cream man comes around if we can't hear him?"—or—"Why don't the men sound the chimes any more?"

Canadian Builds Complete TV Station

CALGARY, Alberta (AP)—It's a simple chore to build your own television transmitter and receiver—if you have a thorough knowledge of electronics, the necessary expensive equipment and a few hundred hours to spare.

Although William K. Allan of Calgary refuses to admit that he has achieved anything unusual, he has built what is believed the first amateur television receiver and transmitter in Alberta. The 47-year-old electricity teacher at Calgary's Western Canada High School, is a recognized top-flight expert on electronics.

While he regards the construction of a normal TV receiver as child's play, Allan admits that the transmitting equipment was more difficult. The problem he faced was that of adapting a 16 mm. movie projector into a TV "camera" to transmit the film.

NOTICE TO BIDDERS

Sealed bids will be received for a drilled well, drilled according to regulations as provided by the Michigan Department of Health, by the Secretary of Wells Township Schools, Wells, Michigan, at the Grade School at Wells on June 18 at 5 P. M., EST.

Location of well will be indicated on site by the Secretary of the School Board.

Contractor will make capacity tests to the satisfaction of the School Board for a period of 3 hours, showing static level and draw-down level, at a rate of 200 G.P.H. This test shall be performed in the presence of a member of the School Board or its authorized representative and the results submitted with the well log.

All bids will be on a lump sum basis for the different types of work to be done.

Contractor will accomplish log (State Form No. D-28-3) as work progresses.

The contractor shall carry workmen's compensation and public liability in amounts satisfactory to the School Board. The School Board reserves the right to accept or reject any or all bids.

Specifications may be obtained from School Superintendent, Wells Township Schools, Wells, Michigan. (Signature)

Polio winning Ahead Of 1952

WASHINGTON (AP)—The Public Health Service reported today that infantile paralysis cases this year are running about 30 per cent ahead of the corresponding period in 1952, a record year with 57,636 cases.

Last week 47 states listed 248 new cases, more than double the 119 in the similar week of 1952.

This ran the 1953 total to 2,817 cases, with no report last week from Wisconsin, compared with 2,166 in the similar 1952 period. And, for the "disease year," which began about April 1, this year's total has reached 1,235 cases compared with 846 a year ago.

"The number of cases of poliomyelitis increased in several states, especially in the South Atlantic and South Central States," the health service said in a weekly summary.

This Club Has New President Every Day

WASHINGTON, Ia. (AP)—Here's a club with more than 1,000 members—and every single one of them a past president. It's the Washington Coffee Club whose top officers serve for one day only—and never seeks re-election.

The club has past presidents throughout Iowa and even in several foreign countries. Any stranger who can be persuaded to attend a meeting is a cinch to be elected president.

Fifty to 100 members of the organization gather at 10 a. m. each week day, drink a cup of coffee, elect a president and adjourn.

The president's sole and unavoidable responsibility is to pick up the check for everybody's coffee.

More people get more news from newspapers than from all other sources combined.

Judge Jails Twins

NEW YORK (AP)—It took a Solomon to solve the case of Edward and William Conboy, 25-year-old twins involved in the theft of items out of an auto glove compartment.

In court Thursday the car's owner, Philip Frankel of Brooklyn, couldn't decide which twin was watching and which was lifting.

Magistrate Charles Solomon did some quick thinking. He dropped petty larceny charges against the unidentified "lifting" twin on condition they plead guilty to disorderly conduct. They did, and drew 15 days in jail.

More Bills Signed By Gov. Williams

LANSING (AP)—Legislation partly tightening and partly relaxing the secrecy of public assistance roles was signed into law by Gov. Williams.

The new law declares the records of any form of public assistance shall be public records and shall be open to inspection by any one who signs an application form.

At the same time it prevents local governments from "indiscriminate" publication of relief rolls.

Other bills signed by the Governor:

Increase the maximum number of weeks during which workmen's compensation is paid for permanent disability from 750 to 800

Donald Verbrigghe, 18, St. Nicholas, Dies Here Today

Donald Verbrigghe, 18, son of Mr. and Mrs. Henry Verbrigghe of St. Nicholas, died at 12:30 p. m. today in St. Francis Hospital. He had been ill for more than three years.

Born March 20, 1935, he attended school at Rock until three years ago when illness forced him to remain at home.

He was a member of St. Joseph's Church at Perkins, of the Holy Name Society, and of the Third Order of St. Francis.

Surviving besides his parents are two sisters, Donna Mae and Mrs. Matt Ledvina Jr., and eight brothers, Raymond, Leo, Francis, Matt, Leonard, Joseph, Henry Jr. and Dennis, all at home.

The body was taken to the Alto Funeral Home. Arrangements for the funeral will be completed tomorrow.

only a continuation of what already was under way during the previous Democratic administration.

The Alabama senator challenged the President's contention that the new administration had "reviewed and revised military defense plans to meet realistically the needs of our times."

"The only change has been a projected cutback in defense funds at a time when we need to continue building up the strength of the free world in the same manner as we have been doing for the last three years," Sparkman said.

While Sparkman was willing to cite chapter and verse in stating the Democratic viewpoint, other influential Democrats didn't want to comment on the President's Some indicated they didn't want to tangle with Eisenhower at this time.

Czech Workers Riot Against Communists

VIENNA, Austria (AP)—Authoritative reports reaching the West from Czechoslovakia said that Communist-led country has been shaken by riots, large-scale walk-outs and slowdown strikes following a drastic currency reform. Rioting workers in Pilsen were said to have raised the American flag and pillaged the town hall.

Three Escaped Maniacs Caught

HUDSON, N. Y. (AP)—An escaped insane rapist bolted from a swamp early today and was overpowered by swarms of waiting police.

William Schmit, 20, of Ronkonkoma, L. I., was the last of three "extremely dangerous" men who last Sunday fled from Matteawan State Hospital for the criminal insane.

The others, both killers, were captured Thursday.

Raymond Wood, 27, was caught in Fishkill by the village's only fulltime patrolman.

William Shanks, a 30-year-old Brooklyn Negro, was captured by Hudson police on a tip. Schmit, who was with him, broke for the tangled marsh on the city's outskirts.

More than 100 police, state troopers and institution guards drew tight lines around the two-mile-square swamp area.

Schmit, unarmed, came out of the thicket about 2 a. m. and tried to kick and punch troopers before he was subdued. He suffered bruises.

He said he hadn't eaten in three days.

Shanks killed a man in a Brooklyn tavern brawl. Wood shot three persons to death at a Christmas Eve party in Oneonta in 1945.

Schmit held two girls prisoner in his apartment and raped them under threat of a shotgun and knife. All three were adjudged insane and committed before trial.

Two Bodies Lost In Tornado Ruins

WORCESTER, Mass. (AP)—Authorities today said that all but possibly two bodies have been recovered from the ruins of Tuesday night's tornado in central Massachusetts.

The latest figures show 84 dead and two missing. Some 300 men, women and children were injured. About 8,000 are homeless.

Listed as missing are 2-week-old Charles Oslund of Holden, and Clarence Johnson, age unknown, of Brookside Farm, Worcester, a home for the aged.

The Oslund baby, now presumed dead, was whipped out of his mother's arms by the roaring wind. Mrs. Ruth Oslund, the mother, was reported critically ill with internal injuries.

negotiators back to approve it. As the staff officers worked on, South Koreans marched noisily in Seoul and sat down in Pusan to protest the impending truce.

Four hundred men paraded in front of Allied correspondents' billets in Seoul where they chanted "Go North! Go North!"

About 400 marching girls passed out leaflets to Allied soldiers which read:

"We are dead against any truce without unification. Give us unification or death. Do not hand us over to the Communists. Set anti-Communist prisoners of war free."

In front of the American Embassy in Pusan, a sitdown and hunger strike by about 300 crippled and wounded South Korean veterans continued Friday.

Bus Rams Parked Trailer; Five Women Killed, 30 Injured

HARRISBURG (AP)—A west-bound Greyhound bus crashed into a parked tractor-trailer on the Pennsylvania Turnpike, near here, today killing five women and injuring about 30 other persons.

Coroner Thomas J. Fritchey said the bus skidded off the pavement and in trying to get back on it, smashed into the tractor trailer.

The bus was enroute from Philadelphia to Pittsburgh. The mishap occurred about nine miles east of Harrisburg.

A big hole was ripped into the side of the bus, about the middle of it, as the bus swerved into the parked truck.

Sharper Cuts Due In Foreign Aid

(Continued from Page One)

the amendment, said he hoped it would spur European parliaments into ratifying the treaty to set up an international army. Only West Germany has approved this treaty.

The amendment, approved by a 2-1 majority, would earmark one half of European military aid for the European Defense Community.

Congress appropriated \$6,031,000,000 for foreign aid last year, after cutting Truman's request by 25 per cent.

Eisenhower sliced more than two billion dollars from the \$7,600,000,000 Truman budget in two successive cuts this time. Eisenhower was described as "pleading" with House committee leaders, at a conference Tuesday, to get them to prevent further slashes.

It was felt in some quarters that this personal appeal by Eisenhower dissuaded some members who had talked of big scale reductions.

Korea Relief Unchanged

The House measure would authorize these main expenditures: European military aid—\$2,079,689,750, a cut of 100 million dollars in Eisenhower's program.

Near Eastern military aid—\$305,212,637, a reduction of 100 million.

Defense support funds for Europe—200 million dollars, a cut of 100 million.

Far Eastern military aid—\$1,081,620,493, unchanged.

Latin American military assistance—15 millions, unchanged.

Other economic funds to stimulate production of military equipment—684 millions, unchanged.

Economic aid to underdeveloped areas—\$453,634,500, unchanged.

Korean relief—71 millions, unchanged.

The House group cut 150 millions from a special 250 million dollar fund the administration asked to begin the development of non-atomic weapons. The Senate had cut the request by 100 millions.

The House committee also eliminated 25 millions earmarked for the exploitation of raw materials and cut one million from a \$1,825,000 fund to help pay for private relief packages sent abroad.

Rocks Shower Down On Parts Of Kashmir

SRINAGAR, Kashmir (AP)—Various sections of Kashmir, including some areas in which United Nations ceasefire teams are stationed, are being bombarded by stones and rocks.

Recurring earth shocks have dislodged thousands of rocks and large chunks of earth, sending them thundering down the Kashmir mountainsides.

No loss of life or serious property damage has been reported from the bombardment, which followed five days of earth tremors.

Wall Street

NEW YORK (AP)—A slight majority of shares showed small advances in the stock market today. Trading was quiet.

Groups showing some improvement included the oils, coppers, steels, motors, rubbers, chemicals and televisions. Utilities, rails and airlines were mixed while aircrafts and motion pictures were mostly lower.

Volume for the first two hours came to only 350,000 shares. Thursday's volume for the day was 1,220,000 shares.

Some petroleum issues showed gains of a point or more at one time, including Ohio Oil, Pacific Western, Cities Service, Amerasia and Texas Company. Motorola rose around a point and large fractional gains were scoring in morning trading by du Pont, Chrysler, Goodyear and Westinghouse.

Stocks making small gains included U. S. Steel, Republic Steel, General Motors, Studebaker, Montgomery Ward, Allied Stores, Lockhead, Radio Corp., American Telephone, Kennecott, Phelps Dodge, Air Reduction, Southern Railway, General Electric and American Woolen.

Down slightly were Packard, Douglas, United Aircraft, Schenley, Deere, Consolidated Edison, Dome, Union Carbide and Santa Fe.

U. S. Treasury bonds were off slightly.

Kids Take Spinach And Cod Liver Oil With Idol On TV

By DOROTHY ROE
Associated Press Women's Editor

A million or so small children in the Eastern Seaboard area are demanding spinach these days, drinking gallons of milk, minding their table manners and even taking their cod liver oil without a murmur.

Such a mass reform movement among the small fry might be genuine cause for alarm (it just doesn't seem natural)—until you learn it's all due to a young man named Herb Sheldon, who eats his lunch on television every day at noon, together with all his young fans.

Boon To Mothers

If Herb eats spinach, so do the kids. If he drinks his milk, they do likewise.

If he tucks his napkin under his chin, they go along.

When he says—"Now I'm going to eat up all these delicious carrots," the kids gobble their vegetables.

All this has been a great boon to mothers who were getting nervous twitches and spots before the eyes, in the immemorial manner of parents, trying to make junior and sister put their pabulum in their mouths instead of on the floor.

Now all they do is place the youngsters in front of the TV screen, dial in Herb Sheldon, and let him take over. The kids keep their eyes glued on the screen, and eat with their idol.

When he says—"Now it's time to wash your face and hands, brush your teeth, and go back to school," those of school age dash off obediently.

Practices At Home

This may result in a new tribe of supermen and women, some 15 or 20 years hence, since the current crop of moppets are soaking up milk and vitamins at such a rate.

It's even good for Herb, says he: "I have found that a glass of pure, fresh milk is much better for me than two martinis at lunch. And I've eaten so much spinach and carrots since the program started that I'm practically bursting all over with health, vim, vigor and vitality."

This might be funnier if Herb were a bachelor, but he's not. He has three children of his own, as follows: Lynda, 13; Amy Jane, 7; and Randy, 5. He practiced on his own brood before taking over the eating habits of the juvenile public, says Herb, and with good results.

ENGAGEMENT TOLD—Mr. and Mrs. David McNellis, 1715 2nd Ave. N., announce the engagement of their daughter, Janet, to Robert Gene Macready, son of Mrs. Sterling Macready, South Bend, Ind. The wedding will take place July 11. (Ridings Photo)

Today's Recipes

Peach Layer Crisp
Ingredients: 1/4 cup butter or margarine, 3/4 cup firmly packed brown sugar, 2 cups cornflakes, 3/4 cup sifted flour, 1/2 teaspoon salt, 1/2 cup granulated sugar, 2 tablespoons cornstarch, dash of salt, 1/2 cup milk, 1/2 cup syrup from canned cling peach slices, 2 eggs, 1 1/2 cups canned cling peach slices (diced), 1/2 teaspoon vanilla.

Method: Cream butter and brown sugar. Crush cornflakes fine and add to creamed mixture with flour and 1/2 teaspoon salt; mix thoroughly. Press 3/4 of mixture into bottom and sides of greased pan (8 by 6 by 2 inches) or deep pie plate. Mix granulated sugar, cornstarch and dash of salt together thoroughly in heavy saucepan; stir in milk and peach syrup until smooth. Cook and stir constantly with a whisk over moderate low heat until thickened. Beat eggs enough to combine yolks and whites; gradually pour cooked mixture over them, stirring vigorously as you do so; return mixture to saucepan. Stir and cook over very low heat 2 minutes. Remove from heat. Add peaches and vanilla. Pour into cornflake shell. Sprinkle with remaining crumbs. Bake in moderate (350F) oven 30 minutes. Serve hot, with unsweetened whipped cream if desired. Makes 8 servings. If any of the dessert is leftover it will taste delicious reheated in a moderate oven.

Peach Banana Whip
Ingredients: 7 envelope unflavored gelatin, 3-4 cup cold water, 1/2 cup syrup from canned cling peaches, dash of salt, 1/4 cup lemon juice, 6 tablespoons sugar, 1 medium-size ripe banana (sieved), 1 cup drained canned cling peach slices, 1/2 cup cream (whipped).

Method: Sprinkle gelatin over 1/4 cup cold water and allow to soften. Heat peach syrup until boiling hot; add to softened gelatin is dissolved. Add remaining 1/2 cup cold water, salt, lemon juice and sugar; stir until sugar is dissolved. Chill until slightly thickened. Fold in sieved banana, peaches, and cream. Pour into one large or individual molds; chill until firm; unmold if desired. Makes 8 small servings.

Vows Spoken By Kathleen Veaser And Roger Short

POWERS-SPALDING—A gown of white illusion net over satin was worn by Miss Kathleen Veaser for her wedding to Roger Short which took place at St. Francis Xavier Church in Spalding June 6 with Father Walter Franczek solemnizing the double ring ceremony. The bridegroom is a son of Mr. and Mrs. Frank Short of Neillsville, Wis.

The bride, daughter of Mr. and Mrs. Ed Veaser of Powers, carried a bouquet of red rosebuds, lilies of the valley and white pompons. Her jewelry, the gift of the bridegroom, was a three-strand pearl necklace and matching earrings.

The matron of honor, Mrs. Melvin DePas of Marinette, sister of the bride, wore orchid net over taffeta and carried yellow and white pompons with satin ribbon. Another sister, Mrs. Roger Kell and Donna Marie Matousek of Milwaukee, a niece of the bridegroom, were bridal aides. They wore identical gowns of pale green net over taffeta and carried pompons. The flower girls, Linda Veaser and Karen Kell, nieces of the bride, wore frocks styled like the honor attendants'. They carried miniature bouquets.

Kenneth Short and Dennis DePas were ring bearers.

Mr. Short's best man was Elmer Veaser and Kenneth Short was groomsmen. Ushers were Leonard Veaser and Robert Morrison.

Breakfast and Reception

Mrs. Wallace Wells was organist and Mrs. Ray Phillips of Loreto, soloist, of the service.

Pompons and daisies centered the table for the wedding breakfast at the Nadeau parish hall which was followed by a reception for 200 guests.

The newlyweds will live at 1953 68th St. in Milwaukee following their return from their honeymoon. For traveling the bride chose a light shantung suit with matching accessories.

The bride is a graduate of Powers-Spalding High School and the Milwaukee Accredited School of Beauty Culture. The bridegroom, a graduate of Neillsville High School, is employed at Allis Chalmers in Milwaukee.

Wedding Guests

Out of town guests at the wedding were Mr. and Mrs. Frank Short, Mr. and Mrs. Robert Matenson and Mr. and Mrs. Kenneth Short and son of Neillsville; Mr. and Mrs. Louis Matousek, son Dwayne and daughter Donna, Miss Carol Kelly, Mr. and Mrs. Robert DeCharme, Mr. and Mrs. Tommy DeCharme, Miss Mary Richards, Robert Gember, Lee Sellers, Mr. and Mrs. Zea Dolgin and two children and Miss Eloise Cunningham, Milwaukee; Mrs. Ernest LaFave of Daggett; Mr. and Mrs. John Kane, Mr. and Mrs. George Daniels and Mr. and Mrs. Art Eastberg and daughter Donna of Menominee; Mr. and Mrs. Melvin DePas and son of Marinette; Ben Butler, Gladstone; Mrs. Ray Phillips, Loreto; Mr. and Mrs. H. J. Veaser, Iron River; Mr. and Mrs. Gilbert Moreau, son Pat and three daughters of Niagara; Mr. and Mrs. Norbert Poupore of Appleton and many relatives and friends of Powers, Spalding and Nadeau.

AWARDED SCHOLARSHIP—Miss Joan LaCombe, daughter of Mr. and Mrs. Cecil LaCombe, 310 S. 8th St., has been awarded a scholarship by Augustana College of Rock Island, Ill. The award was announced by Conrad Bergendoff, president of Augustana. Miss LaCombe, who was graduated from Escanaba High School this month, plans to enter Augustana College of Nursing in Chicago, affiliated with the College, this coming September. (Portrait by Millie)

Silver Wedding Is Celebrated By Bark River Couple

BARK RIVER—Relatives and friends of Bark River and Escanaba joined Mr. and Mrs. B. R. Erickson Sunday afternoon in the celebration of their silver wedding anniversary. Open house was held in observance of the occasion at the Bark River Methodist Church.

The program, in charge of Mrs. Ebrath Peterson, included readings by the honor couple's son, Jack, and their daughter, Beverly, Mrs. Arthur Fournier, a poem by Mrs. Lawrence Erickson, sister-in-law, her own composition; a reading by Mrs. R. Pick Tentative New Crossing

Selection of a new Indian River crossing approximately 300 feet below Intake Dam has been tentatively made by a survey crew of the Bechtel Corporation, Canadian crude oil pipeline contractors, it was reported yesterday by Orson Livermore, acting city manager.

Survey of the tentative new route was made Wednesday by the Bechtel crew. The proposed new route will cross Intake Road 500 feet south of the dam and will then swing northward to the river.

Principal problem involved in the route relocation will be getting the pipeline across the present city gravity main and a new 14-inch high pressure water main to be installed during the summer, Livermore said.

Top of the gravity main is estimated to be about 11 feet below the surface of Intake Road. The new high pressure main, which eventually will replace the gravity line, will lie about seven and one-half feet below the surface and will closely parallel the old wooden gravity pipe.

Canadian pipeline workers will probably find it necessary to install the 30-inch oil pipe above the gravity main and underneath the high pressure line. A space of approximately four feet will exist between the two water lines, Livermore estimated.

Initial plans provided for taking the oil line across Indian River about a quarter mile above Intake Dam where Manistique obtains its water supply. Prompted by the Michigan Department of Health, the city several weeks ago dispatched a letter to the Lakehead Pipeline firm protesting the crossing above the city dam.

The acting city manager said the new high pressure water line would probably be installed below the oil line. The Canadian pipeline is not expected to be laid through the Manistique area until middle fall.

Mortar Planes Do Faster Job Than Any Trowel

HOW mortar plane is used

AP Newsfeatures Writer
A new device called a mortar plane has been developed to speed up masonry block construction.

A rustproof metal box, with sides tapering down to an open bottom and ends adjustable to regulate the thickness of mortar desired, this device spreads an even trail of mortar without waste. One filling is said to spread the length of four or five concrete or cinder blocks.

The mortar plane is being marketed at \$13.95 and weighs 1½ pounds. Its makers say it saves 10 per cent in the amount of mortar needed and that its use is four times faster than the trowel.

Elks To Conduct Flag Ceremony At Dedication Of Ball Field Sunday

Dedication of Manistique's new baseball field at the fairgrounds Sunday afternoon will be highlighted by a flag ceremony conducted by Manistique Lodge No. 632, B.P.O.E., it is announced by Fred H. Hahne, exalted ruler.

Elks officers will participate in the ceremony which will culminate with presentation of an American flag by the lodge to the directors of the Manistique Baseball Association.

The flag ceremony is scheduled for 2 p. m., immediately preceding a Bay de Noc league game between the Manistique Cardinals and Trenary. Manistique Elks are requested to assemble at the temple, Walnut St., at 1 p. m.

Also scheduled to take part in the program are 10 members of the Manistique National Guard Company who will serve as color bearers and guards and the Boy Scout Drum and Bugle Corps.

Elks officers participating in the ceremony will be Exalted Ruler Hahne; Earl H. LeBrasseur, leading knight; Ian McKilligan, loyal knight; John Raffay, lecturing knight; E. J. Doyle, esquire; and John C. Hanson, chaplain.

Members of Manistique's National Guard Company will demonstrate their ability to build a bridge rapidly and efficiently under threat of enemy attack during annual bivouac maneuvers this weekend.

Locale of activities will be the West Branch of the Manistique River, about 10 miles north of Manistique.

Guardsmen will assemble at the armory at 12 noon Saturday and will leave for the bivouac site at 12:30.

Camp will be established in a wooded plain area near the river, defensive positions arranged and about 2 p. m. company personnel will start construction of the bridge.

The span will be about eight feet wide and will consist of timber cribs and connecting stringers. It will be designed for use of foot soldiers in crossing a river to continue a simulated attack on enemy positions.

Defensive positions both at the bridge and camp will consist of outposts equipped with 50 caliber machine guns for air defense and 30 caliber machine guns and rifles for repelling infantry attack.

Bridge construction will continue until 6 p. m. at which time a steak supper will be served. Guardsmen will return to the bridge at 7 and work until midnight. Following a short night of sleep they will be aroused at 5 a. m. Sunday and will return to the bridge job after breakfast, working until 9 a. m. when the bivouac period ends.

Returning to the armory, Guardsmen will clean clothing, equipment and weapons and will be dismissed at noon.

Cooks Girl Wedded Last Saturday To Leonard Matchinski

Miss Patricia Rose Archambeau, daughter of Mr. and Mrs. Peter Archambeau, of Cooks, and Leonard L. Matchinski, son of Mr. and Mrs. Reinhart Matchinski, route 2, were united in marriage Saturday, June 6, at St. Mary of Magdalene Church in Cooks. The Rev. R. J. Bassett officiated at the 10 a. m. double ring ceremony.

The church organist played Lohengrin's Wedding March. The altar was decorated with sweet peas and lilacs.

The bride was attired in a gown of white organdy with three-quarter length sleeves and Peter Pan collar trimmed in satin. Her finger tip veil fell from a crown of seed pearls. She carried a bouquet of red roses and white sweet peas.

Miss Kathleen Roberts was bridesmaid. She wore a blue gown, styled similar to that of the bride, with white accessories, and carried a bouquet of sweet peas.

John Archambeau, brother of the bride, was best man.

Mrs. Archambeau attended her daughter's wedding in a navy and rose street length dress with navy accessories. Mrs. Matchinski, the groom's mother, wore a taupe lace gown with white accessories. Both mothers wore corsages of red and blue sweet peas.

The wedding dinner was served at the home of the bride's parents for 30 guests. The couple left later on a 10-day wedding trip through Lower Michigan. They will make their home on Route 2, Manistique.

The bride is a graduate of Cooks High school class, of 1953. The groom attended Manistique High school.

Sangraw Back In Jail Again

Raymond Sangraw, 24, of Winneconne, Wis., a former resident of Manistique, was back in jail again yesterday—two days after he finished serving a prior sentence for recklessness in operating a motor vehicle.

Sangraw was arrested by city police Wednesday night, charged with driving a car in a reckless manner on Walnut street around 5 Wednesday morning. Police reported that he failed to negotiate a turn at the intersection of Walnut and Range, his machine plunging over the curb, narrowly missing a tree and striking a fire hydrant.

Sangraw's speeding car, police said, came to grief at the exact spot where, more than a year ago, the Lehigh brothers were captured by state police after a gunfire-punctuated chase up Walnut street. The Lehighs, however, hit the tree that Sangraw narrowly missed.

Arrested yesterday morning before Justice Victor P. Deemer, Sangraw pleaded guilty and was sentenced to 20 days in jail. He was unable to pay a fine of \$25 and costs of \$4.

Sangraw was released from jail June 10 after serving two weeks of a sentence imposed in local justice court May 25 for reckless driving. His jail term was reduced upon payment of a portion of a \$35 fine and costs of \$4 imposed at his May 25 arraignment.

Engadine Couple Exchange Vows Saturday, June 6

At a candlelight service Saturday evening June 6, at the Bethlehem Lutheran Church in Engadine, Miss Joyce Ann Matchinski, daughter of Mr. and Mrs. Albert Matchinski, Engadine, became the bride of Earl LeGault, son of Mr. and Mrs. Arthur LeGault, also of Engadine. The Rev. Olt Newman officiated at the ceremony.

Mrs. R. C. Halstead, organist, played the traditional wedding march and accompanied Sylvia Wentland as she sang "Because" and "The Lord's Prayer." The altar was decorated with a tall white candelabra and baskets of lilacs.

The bride was attired in a gown styled in Victorian lines with a satin bodice and chantilly lace, a v-neckline with bouffant net skirt and with two tiers of chantilly lace forming the train. The center train was made of small ruffles that flowed in fan style. Her fingertip veil of illusion was edged with lace and fell from a coronation crown of rhinestones and pearls. She wore a rhinestone necklace with matching earrings, a gift of the groom, and carried a cascade bouquet of red roses tied with white streamers.

Sea Urchins Destroy Sunken Steel Beams

SAN FRANCISCO (AP)—Sea urchins have destroyed submerged steel beams 3/8 of an inch thick, in a little more than 20 years, says the magazine Pacific Discovery, published by the California Academy of Sciences.

The little marine animals, about the size of a silver dollar and covered with spines, long have been notorious for boring into rocks and reefs but this is the first time they have been known to destroy metal, the magazine reported.

The steel was in the form of H beams. The 3-8-inch thick web or cross bar of the H was eaten entirely away in several instances, making the underpinnings of a pier useless.

Marine biologists said the urchins did it with their Diogenes lanterns—five-pronged jaws with which the little animals scrape their food from rocks or other surfaces. The constant scraping kept rust from accumulating and kept the bare, unprotected steel subject to the corrosion of sea water.

Chief Is Sentenced For Executing Witch

JADOTVILLE, Belgian Congo (AP)—A witch hunt in the Lualaba district of the Congo's Katanga province ended last week before the court at Jadotville with stiff sentences for the witch hunters.

When informed by public rumours that an old woman in his village was a witch, the chief ordered one of his henchmen to murder her without telling the authorities. However, after the murder, the dead woman's family complained to the Belgian administration.

The chief got life imprisonment and his henchman 20 years. Both have appealed.

Unseen Audience Cooks Up Good Fight Tonight: Carter Vs. Araujo

By GAYLE TALBOT
NEW YORK (AP)—The great unseen audience which runs the fight game these days between hasty shaves and sips of nourishing beer has come up with what should be a real good number tonight—the 15-round lightweight championship between Jimmy Carter, the durable titleholder, and George Araujo, a fast-stepping 22-year-old from Providence, R. I.

Carter was notably unenthusiastic about taking on the unbeaten young challenger and was more or less euchred into risking his crown by the adroit use of large piles of television money. It was like this:

In nearly two years as champion, since he had stopped worn-out Ike Williams, Carter hadn't made enough money out of the title to even get a call from an income tax beagle. Then, out of a clear sky, he was offered something like \$50,000 to fight a soft touch named Tommy Collins on a national hook-up.

Sponsors Heed Call

The sitting room customers demanded it, believing that Collins was hot stuff, and the sponsors heeded the call. Carter said yes in a hurry but then a slight hitch set in.

Neither the National Boxing Association nor the New York State Commission liked the Boston bout. They realized it was a mismatch, and felt that if anybody should be getting a shot at Carter's pretty title it was young Araujo. They said they would refuse to sanction the scrap unless Carter signed to meet Araujo here in his next title defense.

So Carter was mouse trapped and that, kiddies, is how you happened to see the champion in the act of knocking Collins down 10 times on that memorable night, and also why you will see him fighting a genuine challenger tonight.

The champion is not a great one as hitters go. He is just a good, workmanlike 29-year-old fighter who is tough to beat in the big ones.

As for Araujo, he's a fast, flashy kid with a kick in either glove. He has been knocked down only once in his 52 fights, and on that occasion he got up and stopped his man. In all, he has won 30 fights by knockouts, 22 of them coming within the first four rounds.

Kositzky Hurls No-Hit Game

A sparkling no-hit, no-run performance by Louie Kositzky, workhorse of the Merchants softball team, featured the Merchants' 17 to 0 victory over Kessler's at Memorial Field last night.

Kositzky struck out nine and although he walked seven men he was in command of the situation all of the way. His shutout was threatened by wildness in the seventh when he walked the first three men to face him but he fanned the next two batters and then retired the side on a fielder's choice.

Bob Anderson hit two home runs for the Merchants and Kippy Derouin had a perfect day at the plate with a triple, double and two singles. The Merchants clubbed Gouin for 18 hits.

Batteries were Kositzky and Him for the Merchants, Gouin and Gafner for Kessler's.

In other games Harnischfeger walloped Clairmont's, 19-2, and Bungalows trimmed the Highway Tavern team, 17 to 2.

Joe Ricci got three hits for Harniers and Camps also came through with three bingles. Batteries were Pieropon and Boutlier for Harniers, King and Maycunich for Clairmonts.

Ray Wahowiak was the winning pitcher for Bungalows, with Peterson catching. Sigfred, Lake and Maki formed the battery for Highway.

Headline Doubleheader Here Sunday Evening

A headliner doubleheader will be featured at Memorial Field Sunday night with the two leading local teams, Harnischfeger and Merchants, opposing the Ishpeming CCI team.

The program will be a benefit for the Escanaba Softball Association.

The Harnies will play the 7:15 opener against Ishpeming and the Merchants will meet the visitors at 8:45. Both games will be seven-inning affairs.

The CCI club recently spilled the Pteiffers of Marquette, 14 to 2, and are boasting a 11-1 record in competition in their area. Walkuri and Mantyla will hurl the two games for CCI. Pieropon will probably pitch for Harnies

Barks Play At Foster City

Bark River, only undefeated team in the Tri-County baseball league, will travel to Foster City Sunday while Powers, second place team in the circuit, invades Perronville.

Other league games scheduled Sunday are Daggett at Wallace, Carney-Nadeau at Hermansville.

Dale Erickson, Western Michigan pitcher, joined the Bark River club this week and will be on hand for possible duty at Foster City. Joe Rademacher is expected to get the starting assignment, however.

The Bark River club will play an exhibition game at Bark River July 4th with the reactivated Escanaba Bears, champions of the league the past two seasons. The Bears dropped out of the league this year but Jack Beck has reorganized the club for the exhibition game at Bark River.

Michigan And Texas Baseball Favorites

OMAHA (AP)—Texas and Michigan, with good pitching and sharp fielding, were the favorites as play in the National Collegiate baseball tournament moved into the second round.

The eight-team field was due to be trimmed to six today.

Texas, a 2-1 winner over Duke in the first round, will play Lafayette, 6-2 conqueror of Colorado State, and Michigan meets Boston College.

Michigan, getting seven-hit pitching from 18-year-old Marvin Wisniewski and three double plays from its infield, stopped Stanford, pride of the West Coast, 4-0. The Wolverines knocked out Stanford pitcher Bob Murphy with a three-

run blast in the sixth and added another in the ninth.

Boston College's John McKinnon tossed a three-hitter against Houston University and the Eagles won, 4-1.

Houston was paired with Stanford and Duke with Colorado State in the opening contests today. Losers will be out of the double elimination tournament.

London Buzz-Saw Runs Into Rip-Saw

DETROIT (AP)—Ken Hohner, 141, who advertises himself as the "buzz-saw" from London, Ont., ran into a "rip-saw." Rocky Casillo, 148½, Chicago, won on a technical knockout in two minutes and five seconds of the second round.

The televised headliner was scheduled for eight rounds.

Pat Manzi, 148, Syracuse, New York, took an eight-round decision from Chuck Price, 148½, Detroit, in another eight-rounder.

The card drew 1,200 at \$1 a head.

Two 1000-Hitters

NEW YORK (AP)—Bobby Thomson of the New York Giants and Cass Michaels of the Philadelphia A's are the newest members of the major leagues' 1,000-hit club. Thomson collected his 1,000th hit, a double, in Thursday's Giants-Milwaukee Braves game, won by the Giants, 3-1. Michaels reached the 1,000 mark when he singled as the A's shaded the Chicago White Sox, 6-5.

Athletic Code To Be Softened

CHICAGO (AP)—Softening of the athletic code of the North Central Association, powerful 19-state academic accrediting agency, is expected to be recommended today.

Such action may grow out of a meeting of the agency's commission on university and colleges with school presidents.

A month ago, 27 university presidents from six major conferences demanded that the NCA "immediately suspend its proposed enforcement machinery" pending a meeting with them.

This came soon after the NCA threatened to disaccredit Oklahoma A & M on a charge of recruiting and subsidizing athletes.

Only 11 presidents are expected at today's parley. They include George Stoddard of Illinois and Fred Hovde of Purdue (Big Ten).

Mantle Rides Peak

CLEVELAND (AP)—Mickey Mantle, the American League's leading batter with a .353 average, is riding the crest of a 16-game hitting streak. During that span the New York Yankee outfielder has gone 26-for-66, a .394 clip. Mantle hit a home run Thursday in the Yanks' 6-3 victory over the Detroit Tigers.

Don Lund, Outfielder for the Detroit Tigers, is a former star football player for the University of Michigan.

Pastor Hangs Up New Pole-Vault Record

PASADENA, Calif. (AP)—The Rev. Bob Richards, pole-vaulting pastor, has hung up a new mark in the Southern Pacific AAU decathlon.

He vaulted 14 feet 10½ inches Thursday—the best height ever achieved in formal decathlon competition—and totaled 6,781 points in nine events in the meet at John Muir College.

He did not compete in the 1,500-meter run because he is vaulting Saturday night in the Pacific Association AAU meet and thought the metric mile would be too fatiguing.

The former AAU district decathlon mark, 6,718, was set last year by Richards in 10 events.

FIGHTS LAST NIGHT

Detroit—Rocky Casillo, 148½, Chicago, stopped Ken Hohner, 141, London, Ont., 2.

Newark, N. J.—Willie "Kid" Johnson, 146½, Orange, N. J., outpointed Billy Andy, 152, Providence, R. I., 8.

Hogan Against Field In U.S. Open Tourney

By HUGH FULLERTON JR.
OAKMONT, Pa. (AP)—They called it "Hogan's Open" before it started—this 33rd United States Open golf tournament—and the script is unchanged.

It was Ben Hogan against the field today. The unsmiling, chain-smoking Texan Thursday methodically fashioned one of the finest rounds ever played over the famous Oakmont course.

The score of 33-34—67 was five strokes under Oakmont's par and only one over the record established by Jimmy Clark in Wednesday's qualifying round.

That score put Hogan three strokes ahead of his closest pursuers in the field of 157. Among the tournament toughened stars who had been expected to challenge him, the scores ran like this:

Jimmy Demaret 71. Sam Snead 72. Lloyd Mangrum and Marty Furgol 73. Doug Ford, Johnny Bulla and Fred Haas 74, defending champion Julius Boros and PGA champion Jim Turnesa 75 and Cary Middlecoff 76.

Closest to Ben after the first day were three players who never figured in the advance dope. They were George Fazio of Clementon, N. J., who tied Ben at Merion in 1950 and lost out in a playoff; Walter Burkemo, 34, of Franklin, Mich., finalist against Snead in the 1951 PGA championship, and amateur Frank Souchak, 38, a former Pitt and Steelers football star.

They all had 70s.

Tied with Demaret, the three-time Masters champion, at 71 was Bill Ogden, a bespectacled 27-year-old assistant pro from Glenview, Ill.

In the par 72 bracket with Snead were Jay Hebert of Erie, Pa., Jerry Barber of La Canada, Calif., and Lou Barbaro of Deal, N. H.

Belmont Frowns On Dancer Bets

NEW YORK (AP)—Belmont Park officials don't mind paying Native Dancer \$100,000 or so for running around their beautiful track but they don't approve of paying his followers for the privilege of wagging on the big grey.

For that reason there's not likely to be any show betting Saturday when the Dancer faces four other three-year-olds in the 8th running of the Belmont Stakes.

Twice this year Alfred Vanderbilt's ace has cost New York tracks money at the betting windows. There was a \$25,000 minus pool in both place and show when Native Dancer captured the Wood Memorial at Jamaica in April and Belmont Park went into its treasury for \$2,440 to pay off the wagers on the son of Polyanesian when he won the Withers.

Pimlico also had a \$46,000 minus show pool the day the Dancer just beat Jamie K. out of first money in the Preakness.

Jim Norris' Jamie K., Eugene Constantin Jr.'s Royal Bay Gem, Bruce S. Campbell's Ram O' War and Kamehameha from Robert Kleberg's King Ranch are expected to run against the Dancer.

The race will be given full television and radio treatment from 3:30 to 4 p.m. by CBS.

Royal Bay Gem and Ram O' War were among the also rans in the Kentucky Derby when Dark Star handed the Dancer his only setback in 14 starts. Royal Bay Gem trailed by six lengths in third place in the Preakness.

The mile and a half distance of the Belmont adds interest to the race. The derby was at a mile and one-quarter, the Preakness at a mile and three-sixteenths.

Football Star Clicks In His Ring Debut

MERCED, Calif. (AP)—Former USC football star Elmer Willhoite made his amateur boxing debut with a smashing success Thursday night. He knocked out Humphrey Jimenez in 45 seconds of the first round of a scheduled four.

The ex-Southern California line-man connected with a short left to Jimenez' jaw. Jimenez went to the ropes and then hit the canvas, unconscious.

Willhoite weighed 200, Jimenez 188.

Boddy Will Pitch For Perronville

Fred Boddy, Escanaba High School senior, will pitch his second game for Perronville when Powers plays Perronville Sunday at 2:30 in Perronville.

Powers is in second place in the league, and has lost only one game so far. Perronville has lost two games.

QUESTION: In a local semi-pro game, the home team had a man on second with two out and the count three-and-two on the batter. Striking out, the batter turned and headed for the bench. Noticing that his teammates were waving their arms and yelling, he turned and saw that the catcher had dropped the third strike. Turning and running for first, he moved on to second on the catcher's wild throw. The other baserunner scored. Wasn't the batter out for running out of line?—Jack Popa.

ANSWER: This one comes up regularly. Since no play was made on the batter, he was allowed to try for first base under the circumstances. When the throw was wild, the man on second could advance as far as possible—at his own risk.

Q. Of Hank Sauer's 37 home runs last season, how many were hit in his home park?—Hugh Kane.

A. Sauer hit 23 at Wrigley Field.

Braves Have Chance To Fatten League Lead Against Pirates

By BEN PHLEGAR
AP Sports Writer

Milwaukee's battling Braves open the season's first six game series tonight in Pittsburgh with a good chance of putting a little daylight between themselves and the thrashing Brooklyn Dodgers.

The Braves, nearing the end of a profitable road trip on which they have won 11 out of 16, hold a 2-0 season's edge over the seventh place Pirates.

Only six percentage points separate Charley Grimm's men from the pesky Dodgers whose week-end opposition isn't exactly terrifying, either. Brooklyn plays last place Chicago four times. The Dodgers have split a previous pair with the Cubs.

Pitchers In Reserve

When it comes to pitching the Braves are probably the best equipped of any National League team for a six game series, even when it includes two doubleheaders in three days. They have seven hurlers who have won in starting roles and all seven will be available against the Pirates.

Max Surkont, who's won seven, and Johnny Antonelli, a six game winner, start it off for Milwaukee in tonight's twin bill.

The big American League series starting tonight is at Cleveland where the New York Yankees face the Indians in the first of four.

The Yanks won their 14th in a row yesterday, 6-3, at Detroit. Cleveland lost for the first time in eight games, 2-1, to Washington. Philadelphia edged Chicago, 6-5, and Boston ran the St. Louis

Browns' losing streak to 10 with a 7-0 decision.

Homers Stop Spree

In the National League Brooklyn made it three straight over Cincinnati, 9-6. New York snapped a five-game Milwaukee spree, 3-1, on three home runs. St. Louis got only four hits but beat Pittsburgh, 5-3. Philadelphia and Chicago had an open date.

The high flying Yankees now lead Cleveland by 6½ games — their greatest first place margin in the five years Casey Stengel has managed them. Home runs by Gene Woodling, Mickey Mantle and Irv Noren settled all doubts as to the outcome of the game in Detroit.

Walt Masterson stopped the Indians on three singles. Ed FitzGerald drove in the winning runs with a bases-loaded single in the seventh.

Gus Zernial, the leading home run slugger in the American League, hit a pair at Chicago, raising his total to 15. But it took a bases-empty blast by Eddie Robinson in the ninth inning to give Philadelphia the victory.

Trucks Connects

Willard Nixon of the Red Sox pitched perfect ball against the Browns until Virgil Trucks doubled with two out in the sixth. St. Louis got only three other hits, all singles.

Trailing 6-3 the Dodgers finally caught up with Bud Podbielan in the eighth inning at Brooklyn, pounding him for six runs before Rogers Hornsby yanked him. Podbielan allowed 17 hits. The big blows in the rally were home runs by Gil Hodges with the bases

empty and Junior Gilliam, with two on.

Jim Wilson of the Braves threw three home run balls at the Polo Grounds — one each to Monte Irvin, Whitey Lockman and Hank Thompson.

The Cardinals got a lot of mileage out of four hits at Pittsburgh. They scored three runs on just one safety—a single by Ray Jablonski following four walks.

Indians Not Afraid Of Bold, Bad Yanks

By DICK SMITH

CLEVELAND (AP)—Not quite a third of the baseball season is over, but there's a widespread feeling the red-hot New York Yankees can cook Cleveland's pennant goose by winning the four-game series opening here tonight.

Needless to say, manager Al Lopez of the Indians doesn't share that belief. "Winning 14 straight, the Yanks should be 6½ games out front," he says. "They're playing real good ball, but they're not that good."

"We've got more than 100 ball games to play. Even if we lose all four we won't be out of it."

The Yankees' winning streak is the longest and their first-place margin the largest since manager

Casey Stengel began winning four consecutive pennants. The fired-up Bombers seem intent on assuring their grizzled pilot early in the season that he will be the first manager to take five American League flags in a row.

Stengel says his men are winning "because we're going for, and getting, the big innings. Our boys are scoring runs in clusters."

He also gives credit to Johnny Sain: "I've been using Allie Reynolds in the bullpen because I've been getting a lot of mileage out of that there big guy (Sain)."

About 40,000 are expected tonight to watch Ed (Whitey) Ford seek his seventh victory without defeat and his third of the season over Cleveland.

Early Wynn, rested since Sunday when Philadelphia chased him in the sixth, will pitch for the Tribe. His 5-3 record includes a 7-0 loss to Ford.

One reason for the feeling that the Yanks are "in" unless the Indians get at least an even break this weekend is the scores of the three previous New York-Cleveland games. The Tribe looked its worst in losing to Ford 11-1 and 7-0 and almost as bad in bowing to Lopat 9-4.

Then, too, 21 of Cleveland's 30 victories have been against the last three clubs in the standing—Philadelphia, St. Louis and Detroit—while only 16 of the Yanks' 37 were won from the tail-enders.

But Lopez sees a rainbow. "Remember last July," he said. "We were 7½ games back of the Yanks. One month later we were in it."

Ellingson Gets Radar Position

Tom Bolger
Manager

A. B. (Sparky) Ellingson, formerly of Gladstone and Rapid River, this week completed a refresher course in electronics at Bendix Radio Corporation in Baltimore, Ohio.

He was immediately assigned to and left for Elmendorf Air Force Base at Anchorage, Alaska, where he will serve as a civilian field engineer on Air Force radar installations.

Ellingson will be in Alaska for at least one year.

Ellingson served as a radar man while in service during World War II.

After coming to this community he was associated with his father, A. B. Ellingson Sr., in a lumber brokerage business. An active Scout, he served for a time as Scoutmaster of Troop 466 sponsored by the Gladstone Rotary Club.

Obituary

MRS. EMMA WOLFE

Funeral services for Mrs. Emma Wolfe, lifelong resident of Rapid River, were conducted at St. Martin's Lutheran Church in Rapid River Thursday afternoon with Rev. Theophil Hoffmann officiating.

During the rites "Abide With Me" and "No Night There" were sung. This was in accordance to a request made by Mrs. Wolfe before her death.

Pallbearers were William Turan, Eli Schramm, Robert Vetzke, Robert McPherson, John Grandchamp and Allan Young. Burial was in the Rapid River cemetery.

Nepalese Tribesman Gets British Medal

KATMANDU, Nepal (AP)—Britain is going to award its coveted George Cross to Tensing Bhutia, the Nepalese Sherpa tribesman who guided the successful British expedition to the top of Mt. Everest.

The government of this Himalayan kingdom announced last night that it had "consented gladly" to the award.

The George Cross is Britain's highest decoration for civilians displaying extraordinary heroism and courage.

Judge Doffs Pants

OKLAHOMA CITY (AP)—Justice John Brett was overruled by fellow judges of the State Criminal Court of Appeals Wednesday.

They felt he had gone overboard for comfort.

It was a hot day. Their judicial robes were warm.

When it came time to go on the bench, Judge Brett lifted his calf-length gown in the chambers and confided: "Look, no pants!"

Justices Dick Jones and John C. Powell won the resulting ITU6tg n sion, 2-1. Brett wore his britches in court.

EROSION PROBLEM

REGINA, Sask. (AP)—The Agriculture Department reports that of 50 land-use surveys made in Saskatchewan since 1948, wind erosion was reported as a major agricultural problem by 35 municipalities. It said moderate to severe soil drifting has occurred almost every year in some areas.

Scientists Explore Isle Royale Mines

HOUGHTON (AP)—An expedition of prominent scientists set out from here today to explore the mystery of Michigan's prehistoric mining civilization.

Archeologists of the Smithsonian Institute call it "one of the important unsolved problems in North American archeology."

The ancient copper mines are located on Isle Royale National Park.

The expedition will attempt to discover who the prehistoric miners were, when they mined and how they transported the ores.

Although shrouded in mystery and legend, a vast and highly organized mining civilization apparently existed in the area well over 2,000 years ago. An analysis of

prehistoric copper utensils found in many parts of the world indicate much of the red metal originated in Michigan's Upper Peninsula.

The expedition is headed by Dr. Roy W. Drier, professor of metallurgy at the Michigan College of Mining and Technology here. Members of the expedition are Dr. James Griffin, director of museums at the University of Michigan; Dr. Paul Beaubien, National Park Service archeologist; Dr. Walter White and Dr. Henry Cornwell, both of the U. S. Geological Survey; and J. C. Gannon, Marquette, Mich., businessman who is sponsoring the exploration along with Michigan Tech.

The expedition embarked for Isle Royale on the National Park Service ship, Ranger II.

The scientists will base their operations at Belle Isle, using a 45-foot launch for transportation among the 105 islands included in the Isle Royale group, about 50 miles north of the tip of the Keweenaw Peninsula.

Sgt. Don Johnson Granted Discharge

Sgt. Donald A. Johnson, son of Arthur Johnson, Chicago, and nephew of Mrs. Carl A. Anderson, 1602 Minneapolis Ave., arrived Wednesday from Camp Roberts, Calif., where he received his honorable discharge from the United States Army, May 30, 1953.

Sgt. Johnson was in service for 36 months, 14 of those months being spent in Korea, 12 of which he spent in actual combat. He was wounded twice while in Korea.

He returned to the United States December 28, 1952, and after a furlough, was reassigned to camp Cook, Calif., with the Medical department. When Camp Cook was closed in the spring he was transferred to Camp Roberts.

Before returning to Gladstone he visited in San Francisco, and in Chicago with his father, Arthur. He is visiting indefinitely with his uncle and aunt, Mr. and Mrs. Carl A. Anderson, with whom he makes his home.

13th St. Walk Asked By City

The Gladstone City Commission has deemed the construction of sidewalks on 13th St., from Delta Ave., to Lake Shore Drive a necessary public improvement and has started action toward fulfillment of the proposal.

A resolution, to effect this has been introduced and public hearing on it will be held at the next regular commission meeting on June 22.

Owners of property on 13th St., on which sidewalks have not already been constructed are being advised of the action.

July 1 has been set as the deadline for compliance with the order.

In instances where action has not been taken by that date the city may construct or have the walk constructed and charged against the property as a special assessment project.
